Listing Paperwork

All your listing paperwork is located in WebForms or SkySlope. You can access both platforms by signing in through your MLS system of choice (IMS or REALM). We've created custom templates for our agents with pre-populated forms and commonly used clauses to save you time and ensure consistency. For step-by-step guidance on using these tools, log in to Xsel using the link below.

Xsel Learning Management System

*****Bonus - Our Virtual Offer System makes writing offers even easier by generating them for you — just fill in the details and go. You must be using your Google Century 21 Email Address to use.**
