

Submitting Paperwork to C21HG

This section details the submission process for pre-construction deals at Century 21 Heritage Group. Pre-construction transactions involve unique timelines, paperwork requirements, and commission structures, so it's critical that all documents are submitted correctly and on time. Learn what's required at each stage — from worksheet submission to firm deal paperwork — and how to properly upload files into Skyslope. This guide ensures your deal is registered with the brokerage, commissions are tracked, and compliance is maintained, even when closings are years away.
